How to get from the airport to your hotel and/or FAO

If you are arriving at Fiumicino "Leonardo da Vinci" International Airport, there are two possibilities to reach your hotel and/or FAO.

1. You can take a *taxi*, available at Terminals 1, 2, 3. The fare for the service is 48 euro, inclusive of all extra charges, and takes about 30 minutes, but please consider up to 40 minutes depending on traffic. This fare is fixed by the City of Rome (for trips inside the Aurelian Walls, which is the case to and from FAO and the all the hotels). The cars for the taxi service of the City of Rome are white and can be recognized by the sign "TAXI" and by the identifying license number on the doors. Any other taxi does not have a regular authorization and the driver could charge higher fees.
2. You can catch a *train* to the Rome Ostiense station from the train station located inside the airport

close to the arrival and departure Terminal. The ticket costs 8 euro and there is a connection every 15 minutes. The journey into town takes 30 minutes. See <http://www.trenitalia.com/tcom-en> for connections and online tickets.

From Ostiense station it's an easy taxi ride or a 5 minute walk to the hotel, or 20 minute walk to FAO. Alternatively, to go directly to FAO, you can also take the metro for one stop from Piramide to Circo Massimo or as another option, tram 3.

3. You can also catch a *train* to the Rome Termini Central station from the same train station located inside Fiumicino airport, just close to the arrival and departure Terminal. The ticket costs 14 euro and there is a departure every 15 minutes. The non-stop ride that connects the airport and Roma Termini Station takes 32 minutes. See <http://www.trenitalia.com/tcom-en/Services/Fiumicino-Airport> for more information.
